

Western Springs Garden Club

SCHOLARSHIP PROGRAM 2023

Purpose: The purpose of the scholarship program of the Western Springs Garden Club is to encourage students to pursue a degree in environmentally related fields of study such as conservation, agronomy, agriculture, botany, environmental studies, forestry, horticulture, and landscape design/architecture.

Eligibility: All students residing in District 204, whether they attend public or private schools, and whether they are seniors in high school or currently enrolled in a college or vocational school.

Amount: In 2023, we will award scholarship(s) in an amount up to \$1000. The awards will be announced early in May 2023.

Application Procedure (consisting of two parts):

1. Interested students should submit our completed application and an essay by February 17, 2023. The essay, not to exceed 750 words, should outline the student's interest and their future plans in the subjects referenced above. Please email submittal to:

Western Springs Garden Club Scholarship Committee

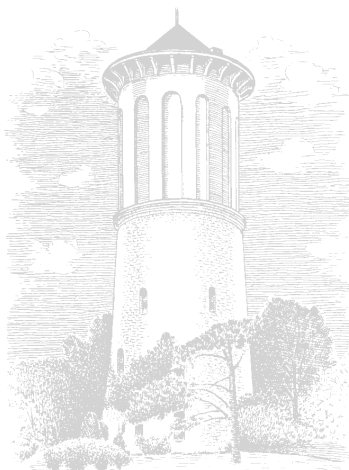

Lynn Philips at:
lynnphil820@yahoo.com

2. A school advisor or instructor should submit a recommendation relating to the student and mail or email it separately by February 17, 2023 to the address above or email address below.

Renewal: Renewal of scholarships will be considered on a yearly basis provided the student reapplies, remains in an environmentally related field of study, is in good academic standing, and continues to meet the program's standards. Application for renewal entails submittal of an unofficial transcript of grades and classes and a brief statement outlining activity and club involvement. This information will be considered along with new scholarship applicants.

All applications will become the property of the Western Springs Garden Club. The determination of the Scholarship Committee shall be final and within its sole discretion. The names and a presentation photo of scholarship recipients will be published.
